Price	\$60	\$110	\$165	\$240	\$285	\$310	\$340	\$360	\$375

Instructions:

If your child is in grade 1-5, use the pricing list at the top of the page.

If your child is in kindergarten, go down the kindergarten section to your child's school. Then read across the chart to the time(s) you think you will need. The rate codes correspond to the # of hours in the time slots. Hours are rounded off.

For multiple times, add the hours in the time slots together to get a "total" rate code. Then go to the Pricing Key to find the price for your total rate code. We will review your totals prior to invoicing you.

For example, Aviara from 7am-9:30am is 1 hour + 1.5 hours = 2.5 hours which rounds to 3 hours (rate 3). If you look at the pricing key you will see that rate 3 is 240.00 per month.

There is a 10% discount for each additional child applicable to the lower-priced program.

Please call our office or speak with your school's Kids' Care Site Director if you need assistance.

Revised 7-15-09 for new Jefferson kindergarten schedule
