

Kindness Unites Paperchain

During The Great Kindness Challenge, let's **unite**, bring **hope** and set a Guinness World Record!

It's easy!

1. **MAKE** – Measure & cut links from recycled/reused paper. Each link must be 1.5" wide & 11" – 18" long. You may make as many links as you'd like!
2. **MESSAGE** – Decorate the links with messages of **love** & **hope** for the world.
3. **MAIL** – Mail your flat links (it's OK to fold links, but do not connect them) and optionally slip in a \$1 bill (or more!) to help fund our important mission. Mail to: Kids for Peace, 1302 Pine Avenue, Carlsbad, CA 92008.
Due by February 28, 2021

Once it's safe to join together, we will connect the links to make the world's longest paper chain with 110 miles of **love** & **hope**!
